

120 STANDARD LIMERICKS is a sort of sequel to another book by the same author. An absolute wish could be that this compilation might offer decided stylistic improvements over its predecessor. Each included limerick consists of a couple of carefully measured sentences. Ideally those should seem about as contrapuntally interrelatable as the octave and sestet in very classical sonnet writing. Any such possibility depends on subjective aspects? Anyhow: an effort was made to produce some fun little texts.
