

With scorching romance and fantastic action, this original novella is a prequel to Courtney Allison Moulton's gripping and epic Angelfire series. There were shadows in this alley that no light touched, and where there was no light, anything could hide. At the end of the fourteenth century, angelic reapers struggle to defend London against a legion of the demonic who have their sights set on claiming human souls and ancient relics for a dark purpose. Madeleine, a young but powerful warrior, is duty-bound to fight the demonic, and she lives for this pursuit above all else. Then, on a routine night of tracking, she is ambushed by a cadre of reapers and, though she defeats them all, she is left wounded and at the mercy of their lord, the notorious Bastian. Madeleine is astonished when Bastian lets her live. She goes deeper into the world of the demonic and is shocked to meet him again—this powerful reaper whose touch makes her restless and gives her a thrill unlike anything else. When they fall into a dangerous clandestine affair, her head and her heart must wage their war: can their love overcome his demonic nature? Will her dance with darkness burn her or bring Bastian into the light? Epic Reads Impulse is a digital imprint with new releases each month.
