

If you have ever thought about opening your own business or expanding a current one, this book is a must-read. It is the compelling story about the challenging process of starting, growing, and finally selling a million dollar business by a woman who actually did it. This insightful book gives potential entreprenHERs rich and relevant information for all phases of developing a successful business. From her very first vision statement through branding, exit strategies, finances, hiring, expanding, recessions, and finally the selling of a business, you will learn how one entreprenHER navigated the ever-changing economic landscape and triumphed.
