

The Australian Master Family Law Guide is an invaluable reference on all aspects of family law in Australia. It contains precise and practical information on the family law system, children, property, child support, court processes, evidence and costs. The 6th edition includes the changes that have occurred following the introduction of the Federal Circuit Court of Australia Legislation Amendment Act 2012 which became effective on 12 April 2013. With expert commentary covering principles and developments in legislation and cases, the Australian Master Family Law Guide is suitable for any professional or student needing a quick, comprehensive and practical guide to Australian family law.
