

Imagine changing centuries - and making things worse, not better, on both sides of time. Imagine being involved in two love triangles in two different centuries. What if, no matter which direction you travel in time, you must abandon someone you love? Meet 15-year-old Annie Lockwood, a romantic living in the wrong century. When she travels back a hundred years and lands in 1895 - a time when privileged young ladies wear magnificent gowns, attend elegant parties, and are courted by handsome gentlemen - Annie at last finds romance. But she is a trespasser in time. Will she choose to stay in the past? Will she be allowed to?
