

How many months are in one year? Does a perimeter go around a school yard or right through it? Which has more wheels: a bicycle or a tricycle? Plus operations, minute hands, money, number patterns, measurements, fractions, and Sally is fourth in line. How many people are in front of her? Math skills are crucial?and theres no reason for students to struggle. Brain Quest Math Grade 1 teaches kids the fundamentals of math and the pleasure of being a problem solver with 750 curriculum-based questions and answers reflecting the latest school standards. Because learning plus practice, time, skill and drills add up to knowledge. Vetted by a panel of Americas highest award-winning teachers, and embraced by kids and parents because it flat-out works, Brain Quest opens a world of information and education with its fast-paced question-and-answer format, bright full-color illustrations, and lively attitude.
