

McGraw-Hill Connect[®] provides online presentation, assignment, and assessment solutions. It connects your students with the tools and resources they[™] need to achieve success. With Connect, you can deliver assignments, quizzes, and tests online. A robust set of questions and problems are presented and aligned with the textbook[™]s learning goals. As an instructor, you can edit existing questions and author entirely new problems. Track individual student performance[™] by question, assignment, or in relation to the class overall[™] with detailed grade reports. Integrate grade reports easily with Learning Management Systems (LMS) such as WebCT and Blackboard[™] and much more. To learn more, visit www.mcgrawhillconnect.com.
