

Donna of the Dead by Alison Kemper Donna Pierce might hear voices, but that doesn't mean she's crazy. Probably. The voices do serve their purpose, though whenever Donna hears them, she knows she's in danger. So when they start yelling at the top of their proverbial lungs, it's no surprise she and her best friend, Deke, end up narrowly escaping a zombie horde. Alone without their families, they take refuge at their high school with the super-helpful nerds, the bossy head cheerleader, and "best of all?" Liam, hottie extraordinaire and Donna's long-time crush. When Liam is around, it's easy to forget about the moaning zombies, her dad's plight to reach them, and how weird Deke is suddenly acting toward her. But as the teens' numbers dwindle and their escape plans fall apart, Donna has to listen to the secrets those voices in her head have been hiding. It seems not all the zombies are shuffling idiots, and the half-dead aren't really down with kids like Donna!
