

The foreign exchange market (forex, FX, or currency market) is a global decentralized market for the trading of currencies. This includes all aspects of buying, selling and exchanging currencies at current or determined prices. In terms of volume of trading, it is by far the largest market in the world. The Forex financial industry alone had a global turnover of \$5.5 Trillion in 2014 and this is a volume which continues to increase annually. A Forex Trader myself, I was prompted to add this to the few other books I have published on the topic after friends asked me to guide them in their quest to also become full-time traders. Forex Trading offers huge potential earnings and there IS room for you to make some big bucks in this market too.

This book will cover the basics of trading foreign currencies, to ensure you have a good understanding before you get started and, it will also provide some tried and tested go-to resources that you can tap into to take currency trading further. So let's grab this bull by the horns, so to speak, and get started!

Project Rebirth: Survival and the Strength of the Human Spirit from 9/11 Survivors, Westchester & Putnam Counties Street Guide, Caribbean Splendor (Siren Publishing), Cammino di perfezione (Opere dei Santi) (Italian Edition), 50 Fabulous Parties For Kids, Automobile Quarterly.
