

What happens when a science geek and magic collide? Be careful what you wish for. Really. Because wishes are bad. Very bad. They can get you trapped in fantasy worlds full of killer bunny rabbits, evil aunts, and bothersome bacteria, for example. Or at least that's Ralph's experience. He's been asked to spend the summer with his strange British relatives at their old manor house in order to set up their Wi-Fi network. But there's much more to it than that, of course. It's just that nobody told Ralph. He's a gamer, sure. But this game is much stranger--and funnier--than anything to be found on his Xbox. He is a geek. This is his story.
