

What words come to mind when we think of God? Merciful? Just? Compassionate? In fact the Bible lays out Gods primary qualities clearly: Hes jealous, petty, unforgiving, bloodthirsty, vindictive - and worse! Originally conceived as a joint presentation between influential thinker and best-selling author Richard Dawkins and former evangelical preacher Dan Barker, this unique book provides an investigation into what may be the most unpleasant character in all fiction. Barker combs through both the Old and New Testaments (as well as 13 different editions of the Good Book), presenting powerful evidence for why Scripture shouldnt govern our everyday lives. This witty, well-researched book suggests that we should move past the Bible and clear a path to a kinder and more thoughtful world.
