

The International Food Festival has invited professional experts from all over the world. Hannah a well-respected consultant to the restaurateur industry attends the event. Because of the vacation location and the fact that her new love is joining her, it promises to be a special time. Until her Grandparents decide to tag along. Things turn for the worse when one of her mentors and closet friends is kidnapped. Why does he have diamonds with him? Did that cause his abduction? Hannah finds out, follow the clues and dont be surprised at what you find.
