

Carole P. Roman is taking students to Northern Europe again and this time it's to visit Scotland. You'll learn about the fascinating architecture that was inspired by ancient Greece and Rome. Whether your name is Ian, Connor, or Malcolm, you'll follow along and visit Loch Ness and hope to get a sighting of its famous occupant, Nessie. Perhaps you'll try haggis or tatie scones and finish your meal with a cloutie. Children are loving this award winning series! It has created a whole generation of armchair travelers that are thrilled to learn about cultures and customs from around the globe. Join Carole P. Roman and discover the world!
