

This is a three-decade survivors tale ... a scenic search for elusive human happiness through music, magazines, silly jokes, stupid shoes, useless blokes, hopeless homes, booze, drugs, love, loss, A&E, death, disillusion and hope - while trying to make Prince laugh, startle Beyonce, cheer Eminem up, annoy Madonna, drink with Shaun Ryder and finish off Westlife forever (with varying degrees of success). In 1986, Sylvia Patterson boarded a train to London armed with a tea-chest full of vinyl records, a peroxide quiff and a dream: to write about music, for ever. She got her wish. Escaping a troubled home, Sylvia embarks on a lifelong quest to discover The Meaning of It All. The problem is she's mostly hanging out with flaky pop stars, rock n roll heroes and unreliable hip-hop legends. As she encounters music's biggest names, she is confronted by glamour and tragedy; wisdom and lunacy; drink, drugs and disaster. And Bros. Here is Madonna in her Earth Mother phase, flinging her hands up in horror at one of Sylv's Very Stupid Questions. Prince compliments her shoes while Eminem threatens to kill her. She shares fruit with Johnny Cash, make-up with Amy Winehouse and several pints with the Manics lost soul-man Richey Edwards. She finds the Beckhams fragrant in LA, a Gallagher madferrit in her living room and Shaun Ryder and Bez as you'd expect, in Jamaica. From the 80s to the present day, Im Not with the Band is a funny, barmy, utterly gripping chronicle of the last thirty years in music and beyond. It is also the story of one woman's wayward search for love, peace and a wonderful life. And whether, or not, she found them.
