

How can something be created from nothing? How does Genesis relate to the New Testament and Christian faith? In this eight-week study, homiletics professor and pastor J. Ellsworth Kalas approaches Genesis as a very personal and almost intimate book. Instead of viewing it as an academic study or as a puzzle to be solved, the author reads Genesis in a very personal, up-close way. Easy-to-follow, step-by-step suggestions for leading a group are provided, as well as questions to facilitate class discussion. Immersion, inspired by a fresh translationâ€”the Common English Bibleâ€”stands firmly on Scripture and helps readers explore the emotional, spiritual, and intellectual needs of their personal faith. More importantly, theyâ€™ll be able to discover Godâ€™s revelation through readings and reflections.
