

The Amazon bestselling novel that continues the passionate story RAINE and TORIN from RUNES by Ednah Walters. Nothing can stop Raine Cooper when she wants something! Raine finally knows that her gorgeous neighbor, Torin St. James, is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norse destiny deities to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves. **ALSO IN THE SERIES:** Runes (book 1) Immortal (book 2) Grimmirs (book 2.5, Full length book, NOT a novella) Seeress (book 3) Souls (Book 3.5) Witches (Coming March 2015) **FROM THE AUTHOR** Thank you for making the first book in this series a hit and making Torin St. James your book crush.
