

Vienna 1614 Kati returns to the Sanatorium to be told that Feodor is missing and that Valgt Krieger, Countess Bathory's son, is no longer in a comatose condition. She decides to work through her grief over Feodor's disappearance by trying to discover what lies behind Valgt's erratic and violent behavior in order to help him adjust. During her visits with him, she finds out that he has a very rare power which puts him in danger at the hands of other Afflicted. Fearing for both their lives, she decides to set him free from the oppressive Sanatorium, and together they set off to discover what makes him so unusual, before they're killed for a power that has the potential to change the world forever...
