

The benefits of a Master of Business Administration (MBA) degree can be massive: fast-track career advancement, a big fat wage packet, the whole high-flying top-notch executive lifestyle. But studying for an MBA isn't something to decide to do lightly - it's a big investment to take a year or more out of your career path or commit endless week-ends to a part-time version, and for many the cost of either of these options is prohibitive.
