

Retired FBI Agent Duncan Wyatt and his exotic-dancer girlfriend Lo-Lo Del Ray, the heroes from Key West Takedown, return in an all new mystery/thriller Key West Winter Blues. Recruited out of retirement once again by his former boss Deputy Director Morgan, Wyatt agrees to casually keep an eye on the Hellâ€™s Invaderâ€™s motorcycle club, a vicious band of drug dealers and murderers from California that apparently relocated to the Florida Keys. Led by club president Ben â€™Bunnyâ€™ Kendrick, the Hells Invaderâ€™s seem benign enough, at first. Once Wyatt makes contact, the fun and the danger begin. Surveillance on Kendrick leads Wyatt to a master criminal known as the Turk, who operates out of Miami Beach. A long suspected importer of drugs, a connection is made between the Turk and Kendrick and suspicions arise that a major supply of drugs from Europe is coming to the Keys. Suspicions prove wrong and Wyatt and Lo-Lo find themselves at the center of a very deadly assassination plot in which their lives hang in the balance. Key West Winter Blues is a mystery loverâ€™s delight, set in the Florida Keys and loaded with action, mystery, suspense and, of course, Lo-Loâ€™s exotic dancing.
