

Beyond the passions of love, lies wickedness unrecognized, until the unpredictable ensue the unwary. Love Thorns and Demons is a narrative and creative non-fiction, based on true events, as Jacqueline transitions into a new venture with her daughter Bobbi Jo, only to encounter the unpredictable ahead. Jacqueline had no clue when she fell in love with her prince charming, he would begin displaying unstable and foreign traits contrary to his former qualities. As the demons skip faster and more furiously around her and her daughter, her devotion is distrusted. Corey's demonic and sinful schemes advance more rapidly thrusting thorns faster and deeper into Jacqueline's heart, with the first, second, then third and forth - mere accidents' surface; and God is her and her daughter's only hope for survival.
