

For better or worse The People vs. O.J. Simpson served as a mirror of modern America. It was all there - wealth, fame, celebrity, sex, race, adultery, drugs, domestic abuse, and murder - acted out by a cast that cut across all segments of society in a drama that polarized the nation. And to witness it, all anyone had to do was turn on the television. As winter turned to spring and spring to summer, opinions formed and then hardened. Research polls reported deep divisions along racial lines and the opinion pages filled with commentary that tried to explain how so many could look at the same evidence and reach such starkly different conclusions. But what people saw in the trial of the century simply reflected their own backgrounds and beliefs. In the end, that was the most revealing verdict of all. Capturing the experiences of the jurors who decided this trial was not an easy feat. Throughout this book the insight and opinions of the primary narrators, Juror #230, foreperson Armanda Cooley; Juror # 98, Carrie Bess; and Juror #984, Marsha Rubin-Jackson, are expressed in their own words. Only they can, and do, reveal the view from the jury box. Phoenix Books is pleased to offer Madam Foreman in newly created ebook format which has been digitally enhanced to include a fully linked table of contents to ensure an enjoyable reading experience on all portable devices.
