

SOMETHING HAS SURVIVED . . . Steven Spielberg wowed the world with his film version of Michael Crichton's blockbuster Jurassic Park. That film's breakthrough special effects really brought dinosaurs back from extinction. Now the mighty dinosaurs are about to rule movie theaters again, with Steven Spielberg back in the director's chair and his team of brilliant effects wizards back on the job. Here is your chance to slip behind the cameras and into the studios, workshops, and locations for a look at this summer's most eagerly anticipated film, The Lost World: Jurassic Park! Share the excitement as dino-mania stirs again when Universal Pictures and Amblin Entertainment announce the film project and storyboard artists set to work. Follow the amazing process of bringing dinosaurs to life--from the preliminary sketches to the Stan Winston Studio sculptures. Watch a computer-generated dinosaur learn to walk . . . and run . . . and eat . . . courtesy of Dennis Muren and Industrial Light & Magics Academy's award-winning team of SFX geniuses. Join director Steven Spielberg and cast members, Jeff Goldblum, Julianne Moore, Pete Postlethwaite, Arliss Howard, Vince Vaughn, Vanessa Lee Chester, Peter Stormare, Lord Richard Attenborough, Harvey Jason, Richard Schiff, and Thomas Duffy, and producers Gerald R. Molen and Colin Wilson on the sets at Universal Studios and on location in Northern California and Hawaii. Something Has Survived. . . . Be among the very first to see just what that something is! From a tiny gleam in the director's eye to a magical feature release, Cinefex magazine editor Jody Duncan takes you on an eye-popping, fully illustrated whirlwind tour through a process as amazing and entertaining as the finished product.
