

Schedules, budgets, communications, resources. Projects big and small include them all, and Microsoft Project 2007 can help you control these variables -- not be controlled by them. But Project is complex software, and learning it is, well, a project in itself. Get up to speed fast with Microsoft Project 2007: The Missing Manual. Written by project management expert Bonnie Biafore, this book teaches you how to do everything from setting budgets and tracking schedules to testing scenarios and recognizing trouble spots before your project breaks down. Find out what's new in Project 2007 from previous versions, and get help choosing the right edition, whether it's Project Standard, Project Professional, or Enterprise Project Management Solution. With Microsoft Project 2007: The Missing Manual, you get more than a simple software how-to. You also get a rundown on project management basics and plenty of solid advice on how to use Project to: Define your project and plan your approach Estimate your project, set up a budget, define tasks, and break the work into manageable chunks Create a schedule, define the sequence of work, and learn the right way to use date constraints and deadlines Build a project team and assign resources to tasks: who does what Refine the project to satisfy objectives by building reality into the schedule, and learn to keep project costs under control Track progress and communicate with team members via reports, information sharing, and meetings that work Close out your project and take away valuable lessons for the future Microsoft Project 2007 is the flagship of all project management programs, and this Missing Manual is the book that should have been in the box. No project manager should be without it.

The Complete Android Guide: 3Ones, Western Lit Survival Kit: How to Read the Classics Without Fear, Code of federal regulations, Social Problems., Terry Truccos Where to Find It: The Essential Guide to Hard-to-Locate Goods and Services From A-Z, Finding Your Focus: Practical Strategies for the Everyday Challenges Facing Adults with ADD, Memo: The Easiest Way to Improve Your Memory, Where to Buy Property Abroad 2008: An Investors Guide (Where to Buy Property Abroad: An Investors Guide), Asian American Literary Studies (Introducing Ethnic Studies EUP),

Editorial Reviews. About the Author. After spending 10 years as a project manager and tech.
