

Teach joined up letters and words for fluent joined up handwriting using worksheets made from this photocopiable teaching resource book. Book 2 revises the formation of letters and introduces step-by-step progression from separate to joined-up letters. Book 2 progresses to a level using a more mature font to show how flexible, fully joined-up handwriting works. Designed to appeal to pupils, both books consist of structured exercises to help motivate reluctant pupils whilst developing confidence. Handwriting exercises using the Sassoon Joiner font show the correct joining of letters.
