

I take no prisoners.... Im Chelsea Halloway and I will happily destroy your social life if you mess with me. Just ask anyone. There is no situation I cant handle. Divorcing parents? No problem. An ex-boyfriend who wants to date Smith High Schools biggest geek instead of me? Just a matter of time before I can make him see reason. At least, until my parents decide to ship me off on a study abroad trip to Cambodia.... Now instead of being admired as the queen of the Notables, Im stuck with a bunch of college students who dont take me seriously, and a professor who accidentally landed himself on the wrong side of a drug lord. And its up to me to get us all out of the country alive - even the annoying jerk with the green eyes who wont stop calling me princess. Oh yeah, what could possibly go wrong?
