

An introduction to Orthodox spiritual life by one of Greece's most distinguished scholars. In the book, Mantzarides covers basic themes such as self-knowledge and knowledge of God, sin and repentance, the Divine Liturgy, the saints, social action, and prayer. Each theme draws upon the wisdom of the Fathers of the Church and each chapter concludes with an excerpt from a significant patristic writer. As he writes, Orthodox Christians need to know their roots better so that they may follow the Fathers. Orthodox Christians understand this to mean that they are not reducing the patristic tradition to an archeological artifact but accepting the living presence of the Fathers in the body of Christ to which they also belong, and being led by their life teaching, their manner and mind. Ideal for study groups, readers will find the chapters intelligible and inspiring, even as they challenge one to a deeper appropriation of the Orthodox Faith.

A History of Architecture: Settings and Rituals, Scotlands Golf Courses, Gamala (Spanish Edition), He-Man: The Eternity War (2014-) #8 (He-Man: The Eternity War (2014-)), Political Elites in the Transatlantic Crisis, Ba(n)d Romance (A Young Adult Romantic Comedy),

the teaching of St. Silouan on Orthodox spiritual life: teaching on the acquisition of the grace of the Holy Spirit, spiritual warfare, the significance of suffering. And then I usually feel like there's no way I'll ever be able to come close to having the kind of spiritual life that they have. How will I ever keep. The term spiritual life, within the Orthodox context, refers to a specific reality, a tangible, comprehensible and specific way of life. It is neither a cloudy utopia nor .

The new and abundant life given by God to man through Christ and the Holy Spirit in creation and redemption is the life of the Christian Church. The life of the . A respected monk and spiritual father from Mount Athos describes the basics of Orthodox spirituality for the beginner or seeker. Written by a monastic for lay.
