

Benjamin Byrne is a teenage boy who exists in an overly idyllic world. After years of depression over the loss of his Father, Ben wants to end it all. The attempt passes him through a doorway into our world. Lost and alone; Ben is homeless earning money ingesting experimental medicines. However, when the side effects kill him, Ben's system restarts itself imbuing him with special abilities. With the assistance of Latisha, a volunteer at a shelter, Ben embarks on a journey to uncover why this world cannot metamorphose into the world of the unspoiled.
