

****Green Nature Mama Design**** This journal is designed to help you track progress during your pregnancy, and hold keepsakes such as baby bump photos, ultrasound photos or anything you like. Large 8 x 11 size, so there is plenty of room to write. Document your pregnancy on a daily basis or write in the journal on occasion throughout your pregnancy. The inside of the journal features a beautiful yellow and pink design and fill-in-the-blank sections for the date, energy level, mood, cravings, morning sickness, appetite and additional notes. There is also a section to write down your next doctor's appointment and any questions you may have. This journal will help you stay organized throughout your pregnancy. Additional pages for more journaling and photos are found throughout the book as well. This journal includes 200+ pages, so you can track your entire pregnancy, even from the early stages or start journaling later your pregnancy and use the extra pages for photos of your baby after he or she is born. The choice is yours! This journal is fully customizable and you can start cataloging your pregnancy, birth and early days after your baby is born.
