

Rose feels alone in a new town. Everything is different and strange. She wishes, she searches, but she's not even sure what for. Then, from somewhere far away, someone or something begins a journey. And maybe, just maybe, Rose and the Wish Thing will find each other. In an enchanting and poetic narrative with achingly beautiful illustrations, Rose and the Wish Thing celebrates the power of imagination and resilience, even when things seem too hard. It is a story that will stay with readers long after the last page is turned. The universal emotions of loneliness, longing, and ultimately joy at finding a new friend are conveyed through the beautifully combined line and wash illustrations and the lyrical prose. . . . A many-layered, imaginary friend story with themes of hope and resiliency. School Library Journal This quirky, sidelong look at a common childhood experience will be just the thing for readers and listeners who enjoy a touch of whimsy and mystery. Kirkus will resonate with readers who have wished for a friend, whether real or imaginary. Booklist The magic of belonging and friendship is woven powerfully into a moving affirmation of the power of love. The language of the text is exquisite, the visual story commanding. The Children's Book Council of Australia

author, illustrator and CWG Contributor Caroline Magerl takes readers into the creative process for her latest work, Rose and the Wish Thing. At least, that's what I got from the whole thing. The music box heard Rose's wish to live in a castle like Castle Fairfax, and it granted it by. Originally published as Hasel and Rose in Australia by Penguin Books Australia [Hasel and Rose] Rose and the wish thing / written and illustrated by Caroline. A wishing wall for all your wishing needs. Getting to the room is one thing, but putting in the codes is something else entirely. Thankfully, we have a full Wish Twelve. Gives each player a crown of roses around their head. What weakness is in our wishes and desires! Our wishing for most things we wish, is weakness. We would have this, that, and the other thing. We wish for things.
