

The new Shooterâ€™s Bible Guide to Knives sets the standard for comprehensive publications by carrying on the Shooterâ€™s Bible tradition of bringing together more products and information than any other source. With photographs and descriptions of more than 400 knives, readers are treated to product highlights from major manufacturers and custom knife makers. This book brings you from the blacksmith shop to high tech influential designers with insights into blade steel, locking mechanisms, and handle materials. When it comes to knives, this book is the source for the products and the passion.
