

This book, with over 250 problems, covers the following topics: Whole Numbers, Operations with Whole Numbers, Decimals, Integers, Graphing, Fractions, Measurements, Functions and Probability, Geometry, and more! If you are home schooling (or if you are just trying to get extra practice for your child), then you already know that math workbooks and curriculum can be expensive. Home School Brew is trying to change that! We have teamed with teachers and parents to create books for prices parents can afford. We believe education shouldn't be expensive. The problem portion of the book may also be purchased individually in Sixth Grade Math Problems.
