

Hello, Im David Greene, and this is my second offering as a writer of Sports Betting books. Ive been making quite the nice living wagering on College and Pro sports (not just Football), for almost fifteen years now. Ive been recently persuaded to go public with all of my self-taught theories and practices. Ive come to believe that if I am any kind of a teacher; that anyone with the proper amount of motivation; can absolutely be taught how to become a Pro. Throughout this booklet of mine you will (at the very least) learn a heightened degree of discipline. This alone, will completely revitalize your career as a gambler. This booklet (recently revised I might add, as of 11/01/08); was designed to help all levels of Sports Gamblers. But, I must admit it primarily delves into football betting, mostly. So, if youre a novice or at the avid level; I assure you that this booklet will help you immensely!
