

Craving a Short Fun Story for early childhood that explains some important life lessons with amazing illustrations ?well look no further. One day Eli will be an olympic runner but for now his current mission is to win the speediest student trophy. Follow nine year old Eli as he takes his journey in order to be crowned the speediest student at his school!!! The book is very well written and thankfully the kids enjoyed this very much. The book is just the right length to keep a child entertaining and the illustrations throughout each page were really well done. I loved that the story taught a very strong lesson on overcoming what comes before us as you watch Eli do his best to be the fastest. We need more books like this that teach valuable lessons. --Amazon Customer

Nature and Properties of Soil: And its Management, 12-21-2012 Survival Guide: Survive Global Catastrophes, The Rough Guide to Croatian Dictionary Phrasebook 1 (Rough Guide Phrasebooks), Social Policy for an Aging Society: A Human Rights Perspective, Illustrated Screenplay: Star Wars: Episode 6: Return of the Jedi, Isolation: A Faye Longchamp Mystery (Faye Longchamp Series),
