

This handbook was created to assist the accident victim in protecting their legal rights, documenting what happened and preserving the evidence trail. The handbook contains specific types of journal entry pages and an overview of the civil justice system. It describes how to select an attorney and how your claim for damages can be computed. It also contains a section on the most frequently asked questions and a glossary of legal terms. This handbook should be kept available in the glove compartment of your car at all times for quick reference and information tracking purposes.
