As embodied by Jeff Bridges, the main character of the 1998 Coen brothers film The Big Lebowski is a modern hero who has inspired festivals, burlesque interpretations, and even a religion(Dudeism). In this paperback reissue, film author and curator Jenny M. Jones tells the full story of the Dude, from how the Coen brothers came up with the idea for a modern LA noir to never-been-told anecdotes about the films production, its critical and commercial reception, and, finally, how it came to be such an international cult hit. Achievers, as Lebowski fans call themselves, will discover many hidden truths, including why it is that Walter Sobchak (John Goodman) is so obsessed with Vietnam, what makes Theodore Donald Donny Kerabatsos (Steve Buscemi) so confused all the time, how the film defies genre, and what unexpected surprise Bridges got during filming of the Gutterballs dream sequence. (Hint: it involved curly wigs and a gurney.) Interspersed throughout are sidebars, interviews with members of the films cast and crew, scene breakdowns, guest essays by prominent experts on Lebowski language, music, filmmaking techniques, and more, and hundreds of photographsa??including many of artwork inspired by the film.
