

â€œRibar has delivered fans a fun romantic read with some deliciously exciting paranormal elements (shape shifting, anyone?) while casually tackling bisexuality, consent, and the importance of balancing power with humanity.â€•â€”School Library JournalHeres what Margo McKenna knows about genies: Shes seen Aladdin more times than she can count; shes found a magic genie ring and made her three allotted wishes; shes even fallen head over heels in love with Oliver, the cute genie whose life she saved by fighting off another genie. But none of this prepared her for the shock of becoming a genie herself. Everything Margos taken for grantedâ€”graduating high school, going to college, even being a girlâ€”is in question. But Margo is also coming into a power she never imagined shed have. How will she reconcile the two? And where will she and Oliver stand when shes done?
