

Accessible, engaging, and authoritative, this handsome hardback is full of color illustrations, maps, and helpful charts, bringing the story of God's dealings with his people vividly to life. After a helpful introductory section on the nature and composition of the Bible and how to read it, this handsome hardback takes the reader on an in-depth and illuminating tour through all 66 books, sketching the principal themes, detailing the main characters, and highlighting memorable passages or verses. Also including a quick and handy fact-finder, issues requiring more detailed attention are highlighted in boxes grouped together towards the back in order not to interrupt the narrative flow.

Nurturing Sanctuary: Community Capacity Building in African American Churches (Black Studies and Critical Thinking), Co-Existing With Cancer or You Thought Living with your In-Laws Was Difficult, Murder for the Bride (Gold Medal, k1537), American Government, Society & Original Sin: Ecumenical Essays on the Impact if the Fall, Travel Superbook #13 Book 9.
