

Meant to be used as an introduction and guide for anyone with a desire to learn about a crucially relevant aspect of the government, this critical examination questions the effectiveness, fairness, and results of New Zealand's justice system. Clearly and precisely written, this analysis provides an overview of the procedures within the system and reviews the authority of decision makers. Ultimately aspiring to determine the degree of justice in which the prosecution structure operates today, this timely study reveals criminal justice in a comprehensive light.
