

This series examines the evidence available for some of the world's most mysterious phenomena, and looks at how science can be used in an attempt to explain such mysteries. The evidence allows readers to analyse the information and make their own decisions. The interesting subjects make this an excellent series for reluctant readers. Case studies bring the information to life. Lively, magazine style design makes the books more accessible to reluctant readers. A Conclusion section offers the reader opportunity to weigh up the arguments.

The Faith and Practice of the Quakers, Selling Ottumwa: Advertisements 1880 to 1970, The Diaries of a Serial Property Investor, People of the Spirit, Policing the Internet (PT/CPT) (Point/Counterpoint (Chelsea Hardcover))**OUT OF PRINT**, Raising Financially Fit Kids, Revised,
