

Need to take control of your life? Do you feel helpless, powerless and out of control? Are you unhappy with the current direction that your life is moving in? Are you tired of constantly worrying about money, and how to be financially independent? Do you constantly worry and only see the shortcomings in your life? Discover the secret to how your mind and the way you think controls your life and your current situation. Your mind has the power to create or destroy your wealth and your health. The good news is that by taking control of your thinking process, you can be in control of your life. The purpose of this book is to teach you how to control your mind and discover the hidden powers in your mind to help you create your desired life. The book covers topics like overcoming fear, failure, negative thinking, health concerns and how to overcome the normal everyday challenges. This book will turn you into an expert regarding the tools that will help you take control of your life, such as: visualization, affirmations, contemplation, meditation and self-hypnosis. The content provides detailed examples and quotes on how to perform and even create your own scripts for all of the tools. But more importantly, you will become an expert of YOU! Real-life examples are used to provide proof of the success and the relevance of the thoroughly researched exercises provided. Some of these are experiences of the author, but the majority are quoted experiences from friends and clients of the author. The focus of this book is not to tell you about the success and beliefs of the author, but to give you proven and established exercises which will guide you to reach your own success and full potential. A complete chapter is spent on explaining to you what hidden powers are contained within you. There is plentiful information about your mind and how it works and relates to the external world, as well as how your brain reacts to input from internal and external sources. This book, enhanced with rich and harmonious materials, will assist in changing your mindset regarding wealth and prosperity. We look at the mind games being played within your head, and then we teach you how to take control of your mind and how to overcome all challenges. This book is an investment in your future and will guide you to get the most out of life. You have the power within you to create the life you deserve. It's not just a guarantee, it's my promise to you that you can be in control.
