

Are you a mom with little kids at home? Are you worried about how your family will survive a disaster? Get 3 fantastic prepping books at one low price with this Prepper Life Book Bundle. This set includes: **Building Your Prepper Pantry** Prepping With Kids Prepping on a Budget *** **Building Your Prepper Pantry** If you're thinking of starting your own pantry, there are a few things you should consider before you head to the store. This guide is designed to get you thinking about how you'll start your pantry, what things you want to stock up on, and how much you can afford to invest in a pantry. Whether you're a full-time college student who wants to start storing food in your studio apartment or you're the busy mother of three who wants to make your budget stretch a bit, you'll find tips and tricks for making a pantry work for you. *** **Prepping With Kids** Before you face the possibility of a power outage or natural disaster, it's important that you start to prepare your family. Getting ready ahead of time ensures that you'll be able to properly and effectively meet your family's needs during a crisis situation. This guide offers tips and tricks for keeping your children safe, prepared, happy, and comfortable during emergencies. You'll find information on prepping with an infant, toddler, young child, and older child in order to best understand what your youngster's needs might be during an emergency. *** **Prepping on a Budget** Preparing for disasters is important. Going into debt while you're prepping is not. If you're interested in becoming a prepper, but you don't have a lot of money to invest in prepping, this is the guide for you. You'll learn what items you need to stock up on, how to find good prices, and where to look for the best deals. You'll discover what it takes to really start prepping and how you can do so with a minimal investment. Written by a prepper mom, Prepping on a Budget is the go-to guide for parents who want to keep their families safe and secure during an emergency, but who need to be a bit savvy with their dollars when they do so.
