

Just after World War One, Tommy Beresford and Tuppence Cowley are desperately short of money. With jobs thin on the ground they decide to form a partnership, hiring themselves out as "young adventurers, willing to do anything, go anywhere"™. In their first dangerous assignment, they must use all their ingenuity to save not only their lives but also the life of the mysterious "Jane"™. Christie was inspired to write *The Secret Adversary* after overhearing a conversation in a cafe. Two women were discussing a lady called Jane Fish, which struck Christie as a most "entertaining"™ name, and she soon began work on a new novel. Originally titled *The Joyful Venture*, the name changed to *The Young Adventurers* before finally becoming *The Secret Adversary*.
