

In Detail Most people associate security with network security and focus on firewalls and network monitoring. However, there is more to security than that. Security starts with the establishment of a stable environment, protecting this environment not only from intrusion, but also from malicious intent. It is about tracking the issue and recovering from it. These elements of security are what this book aims to address. VMware View Security Essentials addresses the topic of security in the corporate environment in a new way. It starts with the underlying virtual infrastructure and then delves into securing your base, your connection, and your client. This is not only a "how-to" book, but is also a book that explains the background and the insights of View security for the experienced professionals desktop virtualization. This book takes you through the four major View security areas. Each area deals with all the aspects of security and explains the background as well as laying out simple-to-follow recipes to implement a higher security standard. We start at the Virtualization base and work our way through the various View server types. We will then dive into the problems and issues of securing a connection before we address the security of the desktop itself. We conclude with a look into the backing up of our View installation and preparing for disaster recovery. Approach A practical and fast-paced guide that gives you all the information you need to secure your virtual environment. Who this book is for This book is a "how-to" for the novice, a "reference guide" for the advanced user, and a "go to" for the experienced user in all the aspects of VMware View desktop virtualization security.

The Speeches of the Right Honourable Edmund Burke: In the House of Commons, and in Westminster-Hall, Bereavement Groups and the Role of Social Support: Integrating Theory, Research, and Practice, Fighting in the Clinch: Vicious Strikes, Street Wrestling, and Gouges for Real Fights, Habit of Labor: Lessons from a Life of Struggle and Success, Faces, Faces Everywhere: Color & Draw Activity Book, Rulers of India (Classic Reprint),
