Charles Singer Landis was the preeminent small-bore writer and target/varmint shooter of his time. Above all, Landis was an experimenter with a keen interest in the how and why of firearms and ammunition performance. He was a perceptive observer of wildlife, which made him an expert hunter. Best of all, he was a good writer with the ability to organize his vast store of knowledge and information and present it in a style both concise and eminently readable. His Woodchucks and Woodchuck Rifles remains one of the most definitive books on the subject.
