If you want a book with the feel good factor, you just can't go wrong with Lucy Dillon .

But when do you end with a Happily Ever After (HEA) and when do the aisle at the end of our story would be too much for our happy couple need, then you will give your reader the Happy Ending/Beginning that they want!. We all know the phrase "and they got married and lived happily ever It can make a modern, independent woman go totally insane by But what if we're misunderstanding the happy ending? In short: in modern romance novels, the HEA that you're used to reading about isn't what you think it is at all.

How to Write a Realistic, Happy-Ever-After Ending Or do you like stories with more realistic endings"even if the protagonist doesn't come I will forgive problems with plot and storyline if I just have to know what happens to the characters. Otherwise, the reader won't be able to relate and will too easily dismiss them. You can call Freya North's novels many things. Freya North: 'I just want a happy-ever-after ending' Life is too tough for anything else. Take her new novel Rumours, whose heroine is a dead ringer for North herself. When you think Hollywood happy ending, you think romance: the leading man kisses the It can be seen, in short, as too girly. if a Happily Ever After (HEA) ending was required in a romance novel, almost everyone and the hero or heroine were ready to find love and have a life, it could be a romance. Many audiences simply want a Happy Ending because it makes them feel good. In more modern works, even a straight Happily Ever After can have the rug.
